To whom it may concern,

I am pleased to satisfy Phillip Crimaldi's request for a letter of reference.

I defended a lawsuit filed by Mr. Crimaldi on his own behalf. My experience working with Mr. Crimaldi was notable in two respects.

First, Mr. Crimaldi demonstrated courage undertaking the effort to prosecute a lawsuit in Colorado's District Court (our court of general jurisdiction). Civil procedure is very involved and can challenge even experienced lawyers.

Second, Mr. Crimaldi's filings demonstrated a willingness to devote time and work to research and learn each (to him, absolutely foreign) step taken in prosecuting his case. Even our presiding Judge was complimentary of Mr. Crimaldi's effort to proceed as correctly as possible.

Mr. Crimaldi demonstrated qualities that will yield success in any endeavor he may undertake. I wish Mr. Crimaldi the best and hope the foregoing has been helpful in his consideration.

Sincerely yours,

Dylan G. Lewis, Esq.
